Mayor Rooney:

On behalf of the Wyckoff P.B.A. Local #261 we would like to personally thank you for your continued support during these last few difficult months. We respect that you, Mr. Boonstra and Mr. Shannon have had to commit much time and effort into handling the various issues currently facing our police department. However, your efforts to take the necessary actions to better our department has not gone unnoticed by the members of the Wyckoff P.B.A..

We want to ensure you that at no time during these past months did our commitment to protecting the residents of Wyckoff ever waver. In fact, while under the leadership of Lt. VanDyk and Lt. Murphy, this department has grown stronger and reenergized after years of dormancy. We truly believe that our potential has yet to be seen.

Your support now, and in years past, is greatly appreciated. We look forward to working together to provide a police service that exceeds the expectations of the residents of Wyckoff.

Respectfully,

P.O. Kevin Pinches

President, Wyckoff P.B.A. Local # 261
