John Unglert, 300 Cornell Street. Mr. Unglert thanked the Township Committee for their hard work and for their decision to increase the number of police officers to full strength.

Jim Savage, 448B Bromley Place. Mr. Savage questioned how the overall valuation of the community can decrease 4%, the overall budget can increase by 1.3% and the tax rate can increase by 3.75%. Mayor Rooney replied that savings were captured by entering into a shared service with Bergen County for dispatch services, $300,000 in tax relief from the library was not received as it was last year, and state mandated costs such as pensions.

The tax levy percentage, the budget percentage and the valuation decrease are all separate components established independently of each other that are utilized together after they are determined to arrive at a tax rate.

Committeeman Scanlan indicated the budget includes $150,000 to build 60 new parking spaces for commuters who will pay an increased user fee to fund the cost.

#15-141 **Opposition to the State's Mandate User-unfriendly Budget Form**

WHEREAS, the Municipal "User-Friendly" Budget was explained to elected officials of Bergen County municipalities by one of their auditing firms at the April 14, 2015 Bergen County League of Municipalities (BCLOM) Mayors Breakfast; and,

WHEREAS, all those in attendance determined that the new reporting form provided no benefit to themselves or anyone else and requires a significant amount of staff time and expense to complete this added requirement with no compelling benefits; and,

WHEREAS, certain aspects of these requirements were in fact perceived to be detrimental to the interest of municipalities and their taxpayers; and,

WHEREAS, no funding source was identified to cover the cost of the additional work to comply with these additional requirements; and,

NOW, THEREFORE BE IT RESOLVED, by the Township Committee of the Township of Wyckoff, County of Bergen, State of New Jersey that the State of New Jersey's new reporting form, known as the "user-friendly budget" form is unnecessary and requires significant work which could be otherwise devoted to satisfying the many other State reporting requirements which require the reporting of the same information.

#15-147 **Recommendation to Encourage the Construction of Special Needs Housing**

WHEREAS, it is estimated that one in five New Jerseyans has a disability that may limit their cognitive or physical function; and,

WHEREAS, there are numerous New Jersey citizens on waiting lists for special needs housing; and,

WHEREAS, the current regulations reflect a provincial approach to address a state-wide need; and,

TOWNSHIP OF WYCKOFF
TOWNSHIP COMMITTEE REGULAR BUSINESS MEETING
SECOND FLOOR MUNICIPAL COURT ROOM
TUESDAY, APRIL 28, 2015

WHEREAS, the primary obstacle preventing the construction of housing for citizens with special needs is the high cost of land, especially in northern New Jersey; and,

WHEREAS, a regional or county focus reflecting a non-traditional collaborative philosophy providing new insight, novel approaches, and fresh perspectives of the unique housing requirements is essential to meet this immediate need; and,

WHEREAS, a county or regional strategy should include carving out a portion of public property not utilized in county parks, state parks, county and state college campus and similar other public facilities for group homes to realistically address the demand for special needs housing; and,

WHEREAS, innovative strategies could also include a modification of the concept of Regional Contribution Agreements (RCA) by allowing municipalities to pay affordable housing development fee funds to other municipalities, county and state efforts to construct special needs housing on sections of their unused or underutilized property for special needs housing; and,

WHEREAS, creative thinking could be effectively followed to increase in a meaningful way the amount of housing for citizens with special needs and to achieve significant progress in satisfying this statewide need of municipalities, counties and the State of New Jersey embrace these suggestions rather than the current approach of promulgating rules that have not bridged the gap between the state-wide demand and availability of special needs housing; and,

WHEREAS, citizens with special needs enjoy a far greater quality of life when their housing is in close proximity to family members, and therefore, regulations must be modified to allow for preference in the assignment of occupancy for special needs housing.

NOW THEREFORE BE IT RESOLVED, by the Township Committee, of the Township of Wyckoff, County of Bergen, State of New Jersey that it encourages immediate action from counties, the state legislature and the Governor to embrace these non-traditional and creative suggestions to achieve significant change to create special needs housing and to realistically solve the deficient housing availability for New Jersey residents with special needs.

BE IT FURTHER RESOLVED, that the Municipal Clerk provide a copy of this resolution by email to the Bergen County Executive James Tedesco, each member of the Bergen County Board of Chosen Freeholders, Governor Chris Christie, members of the New Jersey Senate and Assembly, the New Jersey League of Municipalities, the Division of Disability Services (DDS), the Bergen County Clerks, Northwest Bergen Mayors, Bergen County United Way and the Supportive Housing Association of New Jersey.
