

WYCKOFF LEAF COLLECTION CONTINUES

The DPW has entered into Round 2 of leaf collection. Updates are posted on the Home Page of wyckoff-nj.com, Facebook (*Wyckoff Local Government*), and Twitter (*@WyckoffTownship*) on the progress of the leaf collection to help target the date(s) that the DPW crews will be in your district. Be sure to register your email address at “Sign up for E-News” on the Home Page to receive weekly updates.

Residents are urged to rake their leaves to the edge of their lawn so that the first round can be made as productive as possible. Remind your landscapers that leaves should be raked just to the curb - not into the street.

The RECYCLING/CONSERVATION CENTER is open weekdays (9:00 a.m. to 3:00 p.m.) and Saturdays (9:00 a.m. to 3:00 p.m.) for residents to deposit leaves, branches and brush. Leaf mulch is also available at the center during these hours.

- Do not park vehicles on leaves.
- Instruct children not to play in the leaves at the edge of your property.
- Instruct your landscaper **NOT TO PLACE LEAVES IN THE STREET.**
- Leaves must be raked free of branches, which clog vacuum hoses and slow the collection process. Leaves mixed with branches will not be collected.
- **Leaves must be at least 10 feet away from storm sewer drains per the NJDEP mandated regulations.**
