Girls in grades 3 & 4 – Instead of prematurely participating in a competitive league, the girls 3/4th grade lacrosse program will be more instructional with practices being held during the week and games taking place on the weekends within town. This more instructional setting will provide our girls with the fundamentals and confidence needed to compete in league play when they reach 5th grade.

Practices – you can expect to practice 2 times per week and play 1-2 games per week. All participants are expected to be at all practice sessions in order to be able to participate in the games. Games typically start in early April for the boys and mid-April for the girls.

Equipment required: Boys: Lacrosse stick, cleats, helmets (green or white only), shoulder pads, arm/elbow pads, gloves, and athletic cup. Girls: Lacrosse stick, cleats, goggles and kilts. **More information will follow regarding the parent purchase of boys uniforms and girls kilts through the Lacrosse Booster organization for the 2017 Season. Girls jerseys are supplied by the recreation department.**
