

## **PEDESTRIAN SAFETY**

Police Chief Benjamin Fox reminds all pedestrians of the following pedestrian safety rules that should be followed. They are:

- Carry or wear something white or reflective if walking at night.
- Cross only at crosswalks.
- Before crossing any street, be sure to look both ways and be sure the way is clear before crossing.
- Cross only on proper signal.
- Be especially watchful for turning cars.
- Never enter the roadway from between parked cars.
- Where there is no sidewalk, walk on the left side, facing traffic.
- When walking your pet, be sure you have the animal on a short leash and under control at all times (animal may dart out in front of passing vehicles).
- Joggers should always wear something reflective, carry identification and notify someone of their intended route.
- Motorists should be alert and drive carefully around town.
