

Q: Who is responsible for the repair of the sidewalk in front of my house or business?

A: The property owner is responsible for the repair of sidewalks in front of their home. Section 165-2 of the Code of the Township of Wyckoff establishes that the owners and tenants, of all property (residential or commercial) abutting a sidewalk, responsible for cleaning all grass, weeds, snow, ice or other impediments from the sidewalk area. Before any repairs are made to the sidewalk the property owner must obtain a letter of approval from the Township Engineer.
